PATSY'S CLUB PAGE!

Dear Patsy,

We fellows have a gripe to register. Will you please advise the gals that some of them are worse off after they read tips on how to be more popular. Example: They read that a gal should talk about a fellow's interests while on a date—result: we have been bored to death listening to a lot of yak-yak-yak about sports, motors, etc. by gals who know nothing about those things.

Tell 'em to **FIRST** find out what it's all about and **THEN** talk about it.

Tom, Eddie and Frank,
Boston,
Mass.

Dear Patsy,

The boy I've been going steady with for the past three months is always poking fun at me, saying I'm prudish and old-fashioned. I just can't seem to forget my upbringing and so I guess I try to be proper in everything I do. Do you think he'll lose interest if I don't change?

SaraLee D.
Salt Lake City
Utah

Dear SaraLee,
On the contrary, his interest will increase. The more you keep sticking to your high principles the more he will like you for it... even if he doesn't quite realize it himself. Deep down inside he respects you a great deal for what you are or he never would have continued as your steady this long.

Love,
Patsy

Dear Patsy,

I'm a very popular girl. I get more dates than I can use. But my girl friend, whom I think of as a sister almost, never goes out. She is very plain looking but has a wonderful sense of humor and personality. I've tried to get fellows for her but it doesn't seem to work out too well. What more can I do? I hate to see her just sit home every Saturday night.

Sincerely,
Ann R. Hauger, Jr.

Dear Ann,

Try to arrange as many mixed group activities as you can, parties, bowling, picnics, etc. Sooner or later your friend's personality will win admiration, that is more important than the attention a person's looks attract.

Love, Patsy

Dear Patsy,
My boy friend recently went into the Navy. At first he wrote me every day but since going to sea (Korea) his letters have been fewer and fewer. I've heard about sailors having a girl in every port. Do you think that's what's happening?

Ruth B.
Atlanta,
Ga.

Dear Ruthie,
Of course, I can't answer your question directly but I can give you an opinion. First of all that "gal in every port" business is highly exaggerated. The native gals in those far off ports are not nearly as glamorous as the movies make you think. Secondly, I just think your babe is kind of lousy (Korean waters aren't too pleasant right now) and he just hasn't had a chance to write as often as he'd like. Just have patience and faith. Love, Patsy

Who Can Tell You How To Lick

PIMPLES

ACNE AND ALL OTHER EXTERNALLY CAUSED SKIN BLEMISHES And Make Them

DISAPPEAR FROM SIGHT... *instantly!*

Here is Mr. John A. Rubine, Ph.G. — a well-known pharmacist who has spent almost 20 years trying to solve one of the most vexing problems of youth — and adults too — unsightly, acne pimples, blackheads and similar externally caused skin conditions.

They are indeed a serious problem, for nothing can do more to ruin your chances of success and popularity than a face made ugly with pimples and blackheads. And, if neglected, acne pimples may leave permanent scars and pits.

Mr. Rubine, after much experimenting and research in cooperation with doctors and chemists, found what he was seeking — a formula that would lick acne pimples and other externally caused skin blemishes. He succeeded beyond his fondest expectations and he was so proud of his treatment that he gave it his own name — RUBIN-EX.

DOUBLE ACTION! DOUBLE QUICK RESULTS!

The sensational Rubin-Ex treatment works two ways.
A. Makes acne pimples and all other skin blemishes INSTANTLY DISAPPEAR FROM SIGHT.
B. Its medication cleans up pimples, blackheads.
When thousands of tiny oil glands discharge more oil than your skin can absorb the excess oil picks up and holds tiny particles of dust, dirt, grime, grit, bacteria. This foreign matter soon clogs up and enlarges your pores, form blackheads, cause infection and soon you have a fine crop of ugly, red acne pimples.
Rubin-Ex FORMULA #1 is a special cleaning agent that really gets down in the skin pores and thoroughly cleans them out as no soap can. It also removes excess oil, has correcting exfoliative qualities in your skin, one of the principal causes of pimples and blackheads.

Rubin-Ex FORMULA #2 is great news. When applied to your face it makes pimples and other unsightly blemishes disappear from sight instantly.
And while it is hiding your ugly blemishes from critical eyes its medication is actually at work to clean them up. It contains an ingredient that relieves the fiery itching, another to soothe and heal the irritation, and still another which gently and harmlessly flakes off the dead, hard outer skin leaving your face and complexion much smoother and clearer. You can use Rubin-Ex day and night for it is neutral when applied and does not interfere with make up. Makes an excellent powder base.

MR. JOHN A. RUBINE PH.G.
SKINTEX CORP.

69-47 218 St., Dept MC1 • Bayside, L. I., N. Y.

HE BLESSES RUBIN-EX! No one can realize the fun I am — a most disgrace — of a face marred by pimples and blackheads. I had them so bad that I felt no one wanted to look at me. Today my pimples are gone — and I bless Rubin-Ex that did it — Mr. Bob L.R., Long Island.

LUCKY DAY FOR HER! For years I was embarrassed and ashamed at my pimply face and blotchy complexion. It was a lucky day for me when I was told about Rubin-Ex. My pimples disappeared from sight instantly, and my complexion improved 100%. — Miss Jane G.L., Bronx.

HOW YOU MAY TRY RUBIN-EX AT OUR RISK

Mr. Rubine is so sure that his treatment will improve your skin and complexion in just 10 days that he is making this No Risk Offer. He says: Use Rubin-Ex for 10 days. If you do not notice a marked improvement in your skin and complexion,

If you are not entirely pleased and happy with results, your money will be refunded at once. So start now for a clearer, lovelier skin and complexion the magic way to popularity and success. Order Rubin-Ex today. MAIL COUPON NOW.

SMOOTH AS SILK

THERE was a buzz of excitement as the girl students passed out of the Assembly Hall one morning. Whispers and giggles filled the air, and a few sighs were also audible.

"Did you ever see such a dreamboat?"

"Gosh, No . . . I think he just came to Bradley High from another town! Ohhh, what eyes!"

"And did you notice the curly hair . . . and doesn't he have the most scrumptious shoulders?"

It was obvious that Bill Baker had made quite an impression with the girls who discovered the "new boy in town" sitting nearby as they sat in Assembly that otherwise-ordinary morning. Assembly had never been like this, and the girls were of the general opinion that it was surprises such as Bill Baker that made school life interesting! Apparently, however, Bill had heard some of the whispers, and had turned around to face the girls for a minute, and then, turning beet-red, had changed his seat.

"Didn't he look absolutely adorable when he blushed? Hmmm, it sure would be super to date him!" sighed Sandra, hugging her history book as if it were the man in question.

"Me, too!" echoed the four girls who walked beside Sandra. Sandra brightened suddenly as an idea flashed thru her mind, and she turned to her friends. "Girls, we all want to date Bill Baker. Let's make a bargain . . . the first gal among us who gets to date him, gets, let's see . . . A NEW HAT!"

Wilma scowled. "Phooey . . . who wants a new hat! Let's make it three pairs of stockings, and it's a deal!"

The girls agreed, and the race was on.

The next few weeks went by in a fast pace, as the girls scrambled to win the attentions of Bill, but it was a tougher fight than any of them had expected. Over five cokes, one afternoon several weeks after the contest began, Sandra and her friends discussed what progress they had made. The expressions on the five faces were mighty glum, and the conversation was filled with gloom and discouragement.

"It's simply awful! That dreamboat may be handsome, but he sure knows how to give a girl the run-around!" mourned Wilma. "I even managed to juggle my classes around so I could be in his English class, but every darned time I get near him, he starts to blush and keeps his eyes glued on the teacher."

Marsha was equally as disappointed. "You think you're having bad luck, Wilma? Listen to this. My pop gave me two tickets to the All-Star game at the Stadium, but do you think Bill would take a hint? I told him I had the tickets when I managed to say a few words and get acquainted one day in study hall, so what did he do? He said 'thanks' and took the two tickets! And there I was, confused and speechless. Ticketless, and DATELESS! Phooey!"

"But this tops everything!" Sandra stared into her coke coldly as she related her experience. "Yesterday I discovered that Bill Baker had been transferred to my History Honor class, and darling Mr. Johnson seated dreamboat right next to me. But could I make any head-

way? Bill passed me a note and when I opened it, was it a request to meet him after school for a soda? NO! He wanted the homework assignment he had forgotten to copy from the blackboard earlier that period!"

"Didn't you say anything, then?" screamed Wilma.

"Sure . . . I gave him the assignment, and Mr. Johnson kept me after class for whispering. And if that wasn't enough, when I stayed in my seat after class was over, Bill just started to come over to apologize and tell Mr. Johnson what had happened, when Stinker Willie Jones pulled him away for basketball practice. Wait'll I get my hands on that Willie!"

The other two girls in the booth had sad stories to tell, too, about their failure to date Bill. The five friends sipped sadly at their cokes, and twisted the straws in the agony of their plight.

"B-Bill B-Baker!"

"Huh? What did you say, Marsha?" questioned Sandra.

"He's h-here! B-Bill's here! St-standing in the doorway, c-coming in HERE! Ohh, he's such a d-doll!"

The five pairs of eyes shifted to the door, where Bill Baker stood with The Infamous Willie Jones. He started to enter, when Willie took his arm, and as the girls heard him say, "C'mon, Baker, I'll give you a lift home . . . my jalop's around the corner. We have some coke home, so we can talk about the team schedule there!" All hopes died.

"That is the last straw . . . girls, we are not destined to date Bill Baker. I'm going home and read a good book," wailed Sandra, as she left her friends and started home.

When Sandra reached her house, her Mother was preparing supper! "Hope you're not planning anything for tonight, Sandra dear . . . Dad and I are going to the Wilsons' for a canasta game, and I want you to take care of your little brother."

"Hmm. Why, no, I'm going to be home, reading a book. Guess I'll wash my hair after I do my homework."

After dinner, Sandra's mother and father left her with the dishes to be done, and after she had put little Tim to bed, she washed her hair as she had planned. She spent half an hour putting it up in tiny pin curls, and as she was planning to stay home that evening, she didn't bother to put a scarf over the curls.

"Hmmm, sure wish I was going to a movie with Bill Baker tonight instead of staying home and minding Timmie! Oh, well, guess I'll give myself that cold-cream treatment as long as I'm at home."

In a short while, Sandra was settled on the couch, a book in one hand, an apple in the other, a mass of bobby pins in her hair, and a mask of cold cream on her face.

Suddenly, the door bell rang. "Darn, probably some friend of Mom's or maybe one of the girls is here to keep me company!"

Sandra went to the door and opened it.

"OOOHHHH, NO! B-BILL BAKER!"

Bill Baker gulped as he looked at the girl standing inside, her mouth open in utter desperation. Of all the times to get friendly, he had picked the night when Sandra was hardly in any condition to make an impression on anyone. Under the mask of cold cream, Sandra turned purple in embarrassment.

"H-Hi, Sandra."

"H-Hello, B-Bill. Won't you c-come in?"

The moment Bill was in the living room, Sandra hastily excused herself and ran upstairs, where she swished off the cold cream, and quickly tied a scarf

around her hair. She took a moment to regain some composure, and then went downstairs again.

"G-Guess I sorta got you into trouble today, didn't I?" said Bill.

"It was r-really n-nothing! I didn't mi—I mean, did you come over to ask me any question about the homework for tonight? I have it all done, and if you want any of the answers..."

Bill nervously straightened his tie, apparently a little uncomfortable because of his mission. "No, I just wanted to apologize for running out on you. I should have explained to Mr.

Johnson. I-I want to apologize to y—"

"You look so uncomfortable, Bill. Can I get you some coke or something like that? I might've looked like a beast when I answered the door, but honestly, I don't bite!" Sandra was herself again as she spoke to Bill.

After they had their cokes, Bill seemed to loosen up and began to talk freely. "Look, Sandra, I guess I should explain why I've been so hard to talk to these past weeks. You see, I've always gone to a boys' school, and well, when I got to Bradley High, all the girls were, well, let's just say that they scared me. I guess they were

just being friendly."

Sandra interrupted Bill with a coy laugh, and hoped he hadn't noticed the guilt she had tried to hide in the laugh.

Bill continued, ". . . so, I guess I sorta avoided all of them. I don't know how I ever got up enough courage to come here and speak to you, but I guess I knew I shouldn't have left you in that rut while I ran off to basketball practice. So, here I am!"

Sandra smiled at Bill, and was just about to offer him some candy, when he said, "Say, did you know that I live only a few blocks from here? That's how I knew where you live. I passed your house several times coming home from school and very often saw you sitting on the porch. Guess you didn't recognize me. But, since I walk here on the way home every day, I could walk with you, that is, if you want. And maybe tomorrow we could stop off at Pop's for a soda."

Sandra was delirious when the dreamboat left, but checked the urge to call the girls. "Time enough tomorrow!" she thought.

And the next afternoon, when the girls stopped by Sandra's home room to go for cokes at Pop's, Sandra gaily said, "Go ahead girls, I'll see you there later."

Then minutes later, as the girls sat in their favorite booth waiting for Sandra, they gasped as they saw her come in with Bill. They gasped a second time when Sandra and Bill started to come past their booth to the counter. Suddenly, Bill's long legs accidentally tripped Sandra, and as she began to fall, he held her arm protectively.

"Gee, Sandra, I'm sorry, I made you rip your stocking! I guess I'm always apologizing for something!"

Sandra looked down at her torn stocking, but looking up again at her four friends who were now staring unbelievably, laughed, "Oh, it's okay, Bill . . ." and winking at the girls, added "It's alright! I'm getting three new pairs tomorrow!"

BUZZ BAXTER

BLACKHEADS "PET HATE"

Say Men, Girls in Choosing Date

What a "black mark" is the blackhead... according to men and girls popular enough to be choosy about dates!

"Nobody's dreamboat!" "Nobody's date bait!" And that's not all that's said of those who are careless about blackheads. But blackheads ARE ugly! Blackheads ARE grimy! And they DON'T look good in close-ups!

So can you blame the fellow who says, "Sure, I meet lots of girls who look cute at first glance. But if, on that second glance, I see dingy blackheads, it's good night!"

Or can you blame the girl who confesses, "I hate to go out with a fellow who has blackheads. If he's careless about that you're sure he'll embarrass you in other ways, too!"

But you — are YOUR ears burning? Well, you've company and, sad to say, good company. There are lots of otherwise attractive fellows and girls who could date anyone they like if they'd only realize how offensive blackheads are... and how easily and quickly they could get rid of them... if they want to!

"He-Man" Often Guilty of Blackhead Crime

Take your "he-man"... super at track, games, sports of all kinds... who thinks that after just a shower he's ready to go anywhere! And won't the girls all admire his muscles!

Sure they would! But not many dance floors are set up for burly babes! You can't show off your snappy left hook when only cokes are in the ring! The "he-man" who's also clean-cut, will get the breaks wherever he is!

Even Cute Girls Become Careless

Easy, too easy, for a girl to think that if she has the latest in clothes and hair do she needn't bother about blackheads. A little more make up, she guesses, will take care of that! BUT MAKEUP WON'T HIDE BLACKHEADS! No guess! A plaster of Paris, maybe! At an even good make-up "slips" at a dance! So, don't take chances, cute though you may be!

TAKE THESE TIPS TO BANISH BLACKHEADS

Keep skin clean by washing morning and night with warm, almost hot water. Use good soap and plenty of it. And finish with cool water.

Extract every blackhead as soon as you see it—with a SAFE extractor. Don't use finger nails. Don't squeeze. That may mean infection, injured tissues, a mangled skin.

Just be clean! Be quick! And be safe! That's easy! And that's ALL!
